Re: Case # 18-241115-RG, Notice of Proposed Compromise

To Whom It May Concern:

As a creditor by way of Default Judgement under Docket # SC-606-18, filed October 18, 2018, I strongly object to this proposed compromise. On June 26, 2017, Ms. Saglara Mills drove her uninsured 2015 Lexus into the rear of my vehicle, causing property damage.

I was forced to sue in small claims court in an attempt to recover the damages that I suffered as a result.

Ms. Mills and her husband and business partner, Jose Rosario continue to operate several business ventures including Rosmar Construction and Gecko Construction Corporation.

I hereby demand payment of the money awarded to me in the judgement in full. Ms. Mills appeared to be in fine physical condition when I interacted with her.

Sincerely,

Craig J. Miklencic
